THE PROGRAMME IN DETAILS

MORNINGS

Plenary: Prayer & Worship (09:30-10:00) *all conference participants*

We will start each day with 30 minutes dedicated to prayer and worship. This time includes Bible reading and devotion, and time for prayer.

Tracks (10:30-12:30)

Tracks are meetings around one central theme. The tracks are facilitated by the Network related to that theme. The Networks are responsible to fill this time with a content according to their vision and needs. The tracks are open to any participant working or interested in the field of that track. All participants need to apply to join a track at registration. The track facilitator will confirm the application.

The Track time is every day from 10.30 to 12.30. On Tuesday morning we start with a plenary session on *The Power of Networks*. On that day the Track meeting will be from 11.00 to 12.30 (including coffee break).

AFTERNOON

Interactive time (14.00 – 15.15; 15.45 - 17.00)

On Tuesday, Wednesday and Thursday afternoon there are two time slots for interaction. These two slots can also be combined. Interaction can be one of the following options:

1. *Follow a seminar, panel discussion, workshop or training session.*

There will be scheduled seminars, workshops and theme panels and discussions. These will be open for participants. The sessions can be related to *Hope in the City* on Friday, or training on specific themes.

2. *Network cross meetings*

Take the opportunity to meet with other networks to create synergy, understanding and new ideas. The networks are responsible for hosting and planning these meetings. They choose how many meetings they organize, and who is welcome at these meetings. We suggest to also take time to meet and interact with National Evangelical Alliances and Affiliates.

3. *Meetings with local bodies: government, churches, schools and more.*

We want to learn from the city, and be of influence in the city. Choose as a network where you want to be of influence and connect with a local network to find out their needs. Planning is to be a joint effort of the local networks and European networks.

You are encouraged to keep your network meetings to a size and length which is most profitable and manageable for the meeting. Reporting back to the "silo meeting" can happen on the next day.

Plenary: Prayer for Europe (17:30-18:00) *all conference participants*

Each afternoon we will spend time in prayer for Europe. Topics will be presented on stage and prayer will be in different forms.

EVENINGS

Open Plenary: Opening Celebration (Monday at 19:30) *OPEN MEETING*

On the first evening there will be an opening ceremony with official guests and dignitaries.

Open Plenary: Evening Celebrations (19:30) *OPEN MEETING*

We want to celebrate our time in Tallinn together. Every evening, there will be celebrations for all participants, and for local Christians living in Tallinn.

Each celebration will have a guest speaker about a theme. For example, this could be a theologian or an inspirational speaker. The celebrations will also include folklore, network showcases, creative elements, testimonies and worship.

Open Plenary: Closing Celebration (Friday at 15:00) *OPEN MEETING*

The closing celebration will be on Friday afternoon, just before the *Hope in the City* programme in Tallinn.

HOPE IN THE CITY (Friday afternoon and evening)

On Friday we will be in the city of Tallinn with a variety of activities open to the public, organized by the networks. Everything is possible: poetry readings, art classes, sports competition, discussion panels, lectures on topics (for example Family), open prayer house, and much more.

It would be great if you can contribute your expertise and serve alongside the local Christians.

OTHER INFORMATION

General Secretaries Track

There will be a specific track for General Secretaries on networking. There will be some input from National EA's which are running local networks successfully. There will be time for interaction, but also for planning the follow-up in order to make it practical and profitable.

Visit to Parliament

On Wednesday we hope to visit the Estonian Parliament. This will be open to a select group. More information will be provided as soon as it is available.

Country Meetings (Friday 13:30)

We hope that this week will be more than a conference, and that you bring home fresh ideas and plans. During the country meetings you will meet all participants from your country, and together you will formulate two or three steps to follow up after the conference.

EEA Members Meeting

On Thursday the annual EEA Members Meeting will take place. It is open to all conference participants, but please note that only EEA Members are allowed to vote.

Present yourself!

Hope for Europe is all about sharing and learning. Therefore we would love to hear from you! During the breaks you can present your organization or initiative in a booth. If you have a showcase for any of the plenary sessions, please let us know. A showcase is an example of a good practice of your network or organization. It should have clear principles that can be duplicated elsewhere.
