HOPE TALK

Socks

The Balkan Sock Doctrine

Socks are connected to your FUTURE !

IF YOU DON'T WEAR THEN – YOU WILL :

- **ruin your immune system,**
- **dishonor your ancestors,**
- **and possibly never get married...**

What Socks Reveal About Us

“If I do this, maybe I’ll be okay.”

Wear the socks → stay safe.

Avoid the cold → avoid sickness.

Follow the rules → prevent chaos.

Plan carefully → avoid surprises.

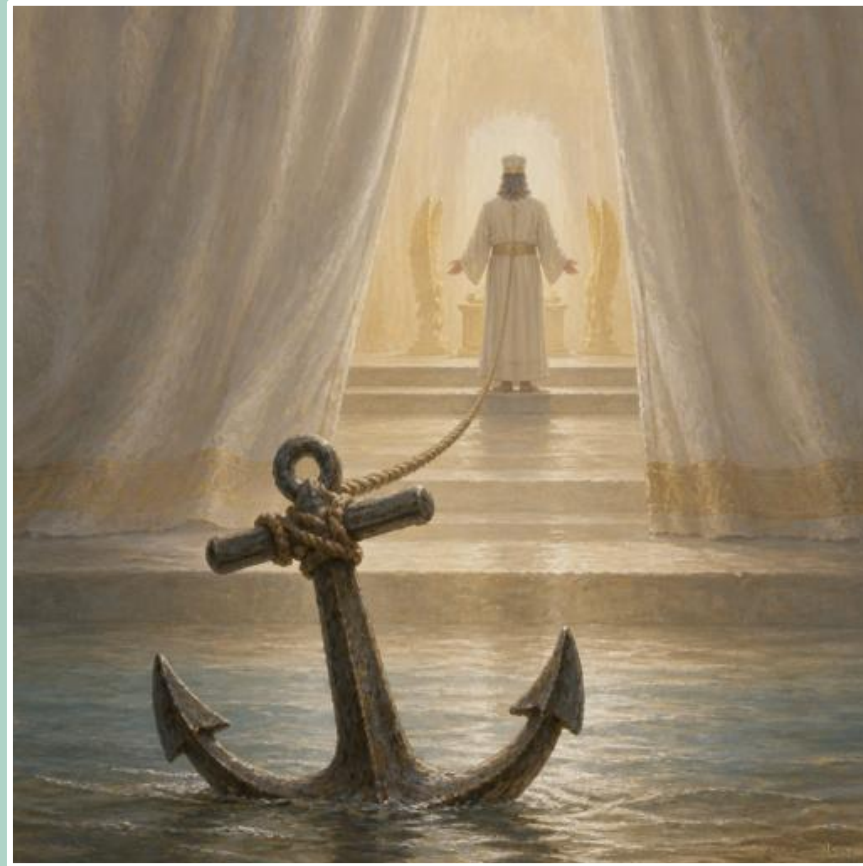

Hope that anchors

We have this hope as an anchor for the soul, firme and secure. It enters the inner sanctuary behind the curtain.

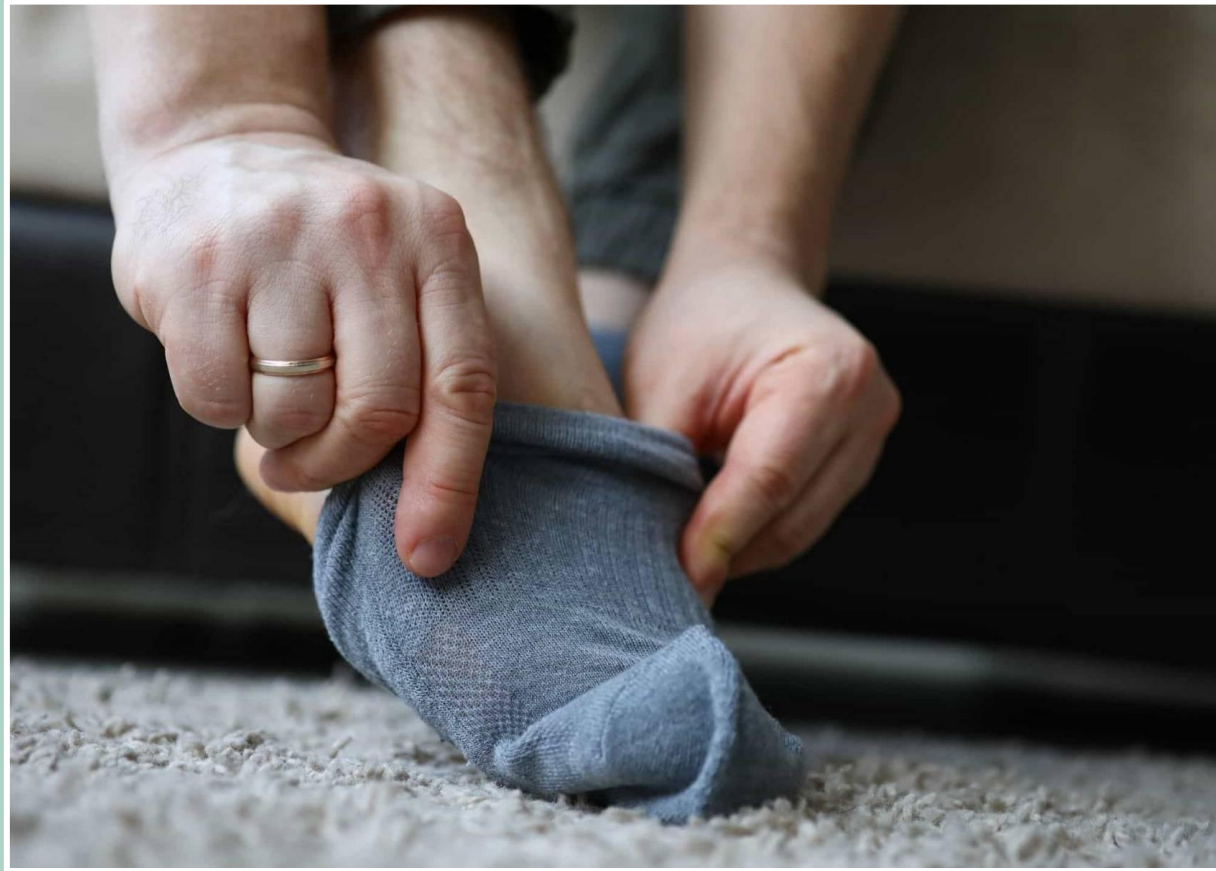

Hebrews 6:19

🚢 Where is the anchor ?

🚢 Put on your socks

Build boldly.
Lead faithfully
Serve deeply.

But NEVER let what God has entrusted to you become what you TRUST instead of GOD.

Reflection questions

1. What are we trusting that God only asked us to steward?

Where have we begun to protect our vision, influence, structures, reputation, or growth more fiercely than we depend on Christ? If Christ were to remove one of these things, would we still know who we are?

2. What would be exposed if God seriously shook what we have built?

Would our alliances and organisations remain anchored in Christ—or would losing control, influence, success, or stability reveal that we have placed our hope in the work rather than in the One who called us to it?
