HOPE FOR EUROPE albania 2026

Creation Care is our faith response to God's call and commands to care for what He made and loves

HOPE FOR EUROPE albania 2026

Creation care looks different in each community but why we do creation care is the same

A few things to remember:

- **We learn about God through Creation**
- Responsibility, not privilege
- We are stewards, not the rest of Creation

The Creation

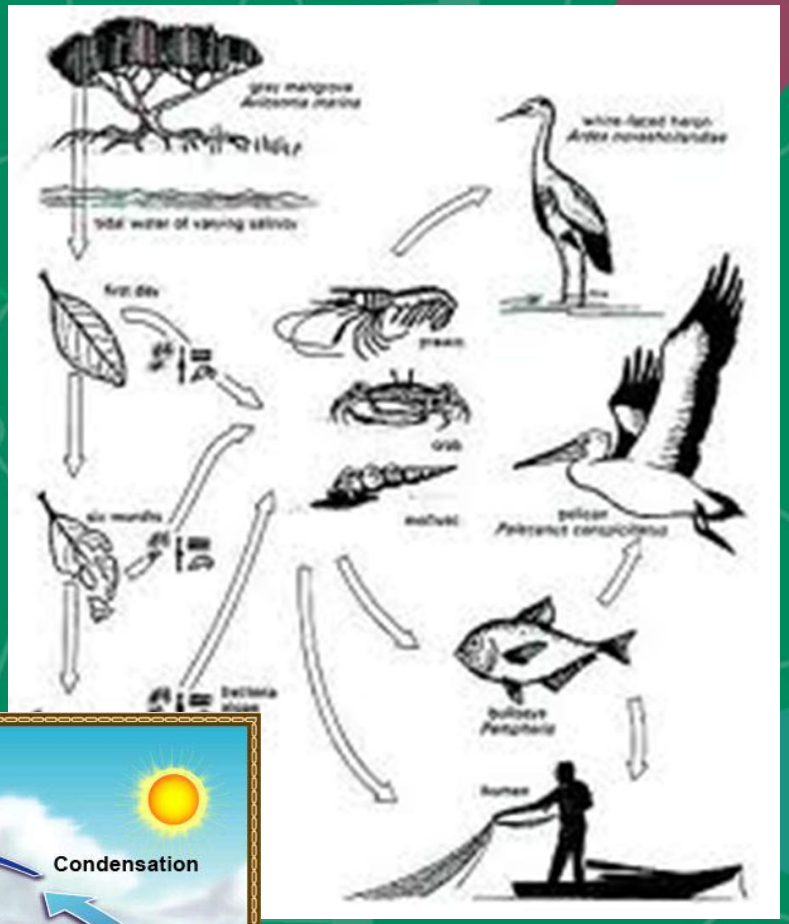

(from the Belgic Confession from 1561)

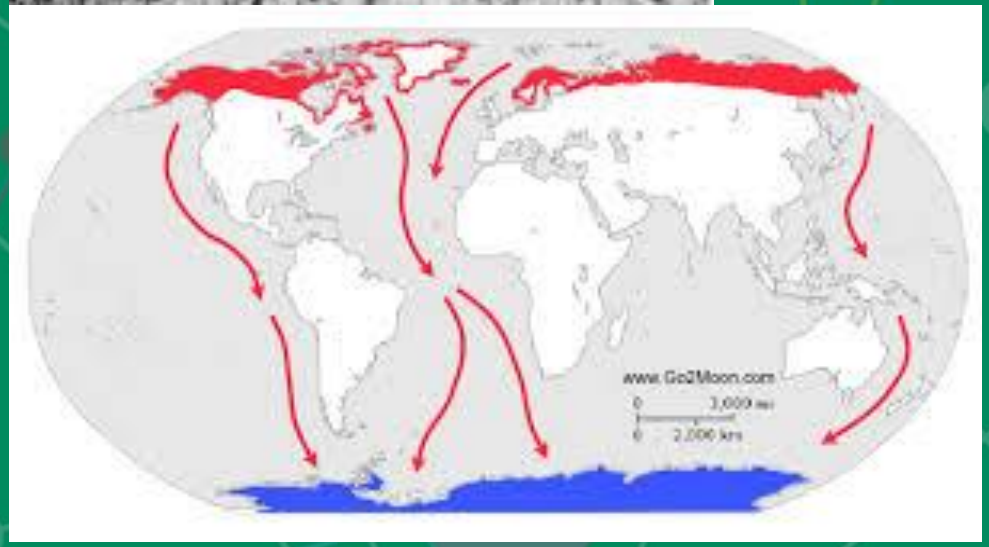

We know God by the creation, preservation, and government of the universe, since that universe is before our eyes like a ***beautiful book in which all creatures, great and small, are as letters*** to make us ***ponder the invisible things*** of God.
