ONE IN SIX — WHERE ARE THEY?

European Disability Network

1 IN 6

1.3 BILLION

people worldwide experience significant disability

WHERE ARE THEY?

- in our churches?
- in our Christian organisations?
- in our women's networks and children's camps?
- **in our mission teams and leadership?**

"What has God given this person that we need?"

[Jeff Fountain "Beyond disability"]

WHO: about 1.3 billion people (16% of the global population) experience significant disability.
