Session 05.02 – Polarization through history

Lab: Polarization through history
Date: October 8, 2026
Room: Buna
Facilitator: Expert talk by Tatiana Kopaleishvili, facilitation by Bethany Serengheu
Approximate number of participants: 12

1. Purpose of today's session

What should today's session achieve?

Understand polarization isn't new, why it happens, and learn to map it out on the change curve in order to lead people through change without polarizing.

2. Key insights

- Review of three different points in history where the Church saw polarization.
- Learn about the Change curve and why polarization happens
- Learn to lead people through change in a way that will minimize polarization.
