EurECA

European Educators' Christian Association

Equipping faith-fuelled educators for every classroom in Europe

Vision: For every child in Europe to be taught by a Christian teacher for at least one year of their life.

Mission: To bring God's truth, love, and wisdom to Europe's youth by equipping Christian educators to be kingdom ambassadors in the classroom.

Why It Matters: Teachers shape lives during their most formative years. Christian teachers have a unique opportunity to reflect Christ's love to those who may never otherwise encounter it.

Who is EurECA?

We are a membership-based organization connecting Christian teachers from over 35 countries.

Our leadership is made up of a member-elected board. The board currently consists of 13 members representing 11 nations.

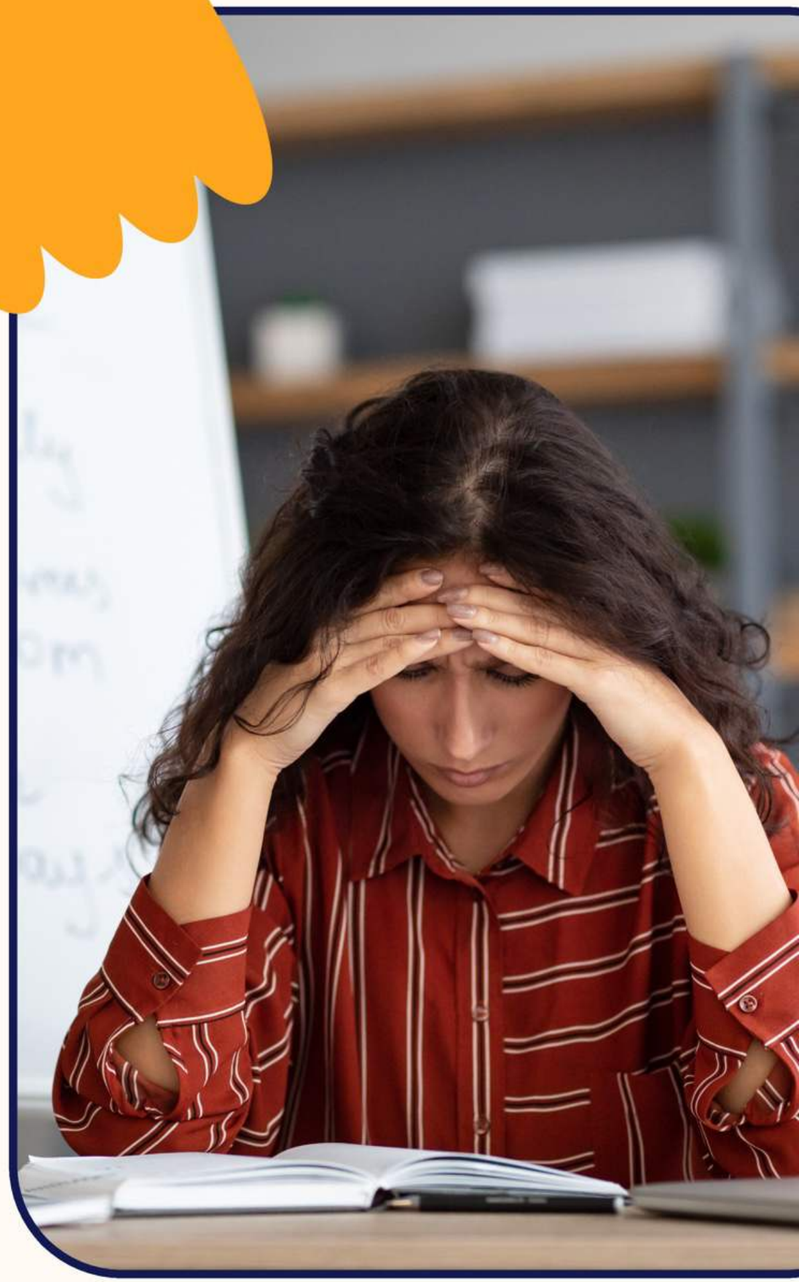

We have been equipping Christian educators across Europe in every educational setting since 1993.

We partner with like-minded organizations and local networks to expand our impact.

Why does this matter ?

Christian educators often experience:

- Isolation
- Burnout
- Cultural pressure
- Lack of support
- Few opportunities for meaningful Christian fellowship in education

You're not alone, and
you don't have to carry this calling by yourself.
